

## Television Production Student Application Form

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Due to studio size, equipment availability and transportation requirements, student enrollment in this course is limited. Student selection will be based on citizenship, attendance, academic and extra-curricular performance, teacher and guidance department recommendations, and the student application form.

**Complete this application form and return it to guidance before March 1, 2017.**

1. This class requires a dedication to learning and hard work. You will be required to complete many assignments that involve both writing and “hands-on” work with TV Production equipment.

Please write a paragraph that describes the progress you have made in school this year (classes you are taking, grades earned, what you have enjoyed most and why). If you have had troubles academically, how do you plan to deal with those issues?

2. This is a production class and members must be reliable and dependable so that television shows can be produced and cablecast. Attendance is critical. Do you feel that you are dependable? Explain.
3. Approximately how many days have you been absent from school this year?
4. Television production also requires a strong team effort. Students must cooperate and work well together. Please write a paragraph describing your personality and cite several examples that demonstrate your ability to get along with others who may be different.

5. Two major purposes of this course are to: (1) give students a lot of “hands-on” experience with a variety of television production equipment, and (2) to have students produce quality programming for the two educational access cable channels in Middlebrough. Due to limited equipment, studio scheduling, and the time many events take place, **students in this course will be required to do a number of after school, evening, and/or weekend productions each term.** Are you willing to make a serious commitment of your time outside of the classroom?

6. Explain your interest in this class and your reasons for wishing to take it.
